"Die Die Die"

Standard Disclaimer/Credit Where Credit Is Due: The characters belong to George Lucas. The song "Bye Bye Bye" belongs to N'Sync.

Author's Note: OK, this is a departure for me. It's a song parody AND it doesn't really fit in with the rest of my fanfics, in which Palpatine and Sidious are two separate people. However, I couldn't come up with a better substitute for "baby" than "Palpy", so that's what I used. Oh well, what can I say - I wrote it in about three minutes.

Die die die

I'm doing this tonight

You wanted me and Luke to fight

I know this can't be right

Hey, Palpy, come on.

You trained me endlessly

To always act Sithly

But now it's time to turn

And go back to good.

I know that I can't take no more, and it ain't no lie.
I'm gonna throw you through this floor, Palpy die die die
(Die die)

I don't wanna be a dupe for you
Just another Sith Lord, and there's always two
You may hate me, but it ain't no lie, Palpy
Die die die
(Die die)

I don't really want to make it tough
I just wanna tell you that I've had enough
And you sound crazy, yeah that ain't no lie, Palpy
Die die die
(Die die)

Luke just hit me with the truth
And Yoda says I'm welcome, too
So give me one good reason, Palpy come on
I lived for you and me
But thanks to Luke I've come to see
Life would be much better once you're gone.

I know that I can't take no more, and it ain't no lie.
I'm gonna throw you through this floor, Palpy die die die
(Die die)

I don't wanna be a dupe for you
Just another Sith Lord, and there's always two
You may hate me, but it ain't no lie, Palpy
Die die die
(Die die)

I don't really want to make it tough
I just wanna tell you that I've had enough
And you sound crazy, yeah that ain't no lie, Palpy

Die die die

(Die die)

I'm giving up, I know for sure

I don't wanna do your dirty work or fight no more

I'm checking out, I'm signing off

I don't wanna be a Sith Lord and I've had enough.

I don't wanna be a Sith and there's always two

So I'm leaving you behind.

I don't want to make it tough, but I've had enough

And it ain't no lie, die die!

End
file.
